MIQ

MTQ Oilfield Services WLL

1. Our Vision

OUR VIEW OF THE FUTURE

To be the GCC's leading oilfield equipment manufacturer and service provider of choice in the industry.

2. Our Mission

WHY WE EXIST

To provide quality service to our customers; create value for our employees and in communities where we operate in; and to maintain world-class industry standards that generate the best return for shareholders' investments to a level that meets and surpasses their expectations.

3. Corporate Profile

WHO WE ARE

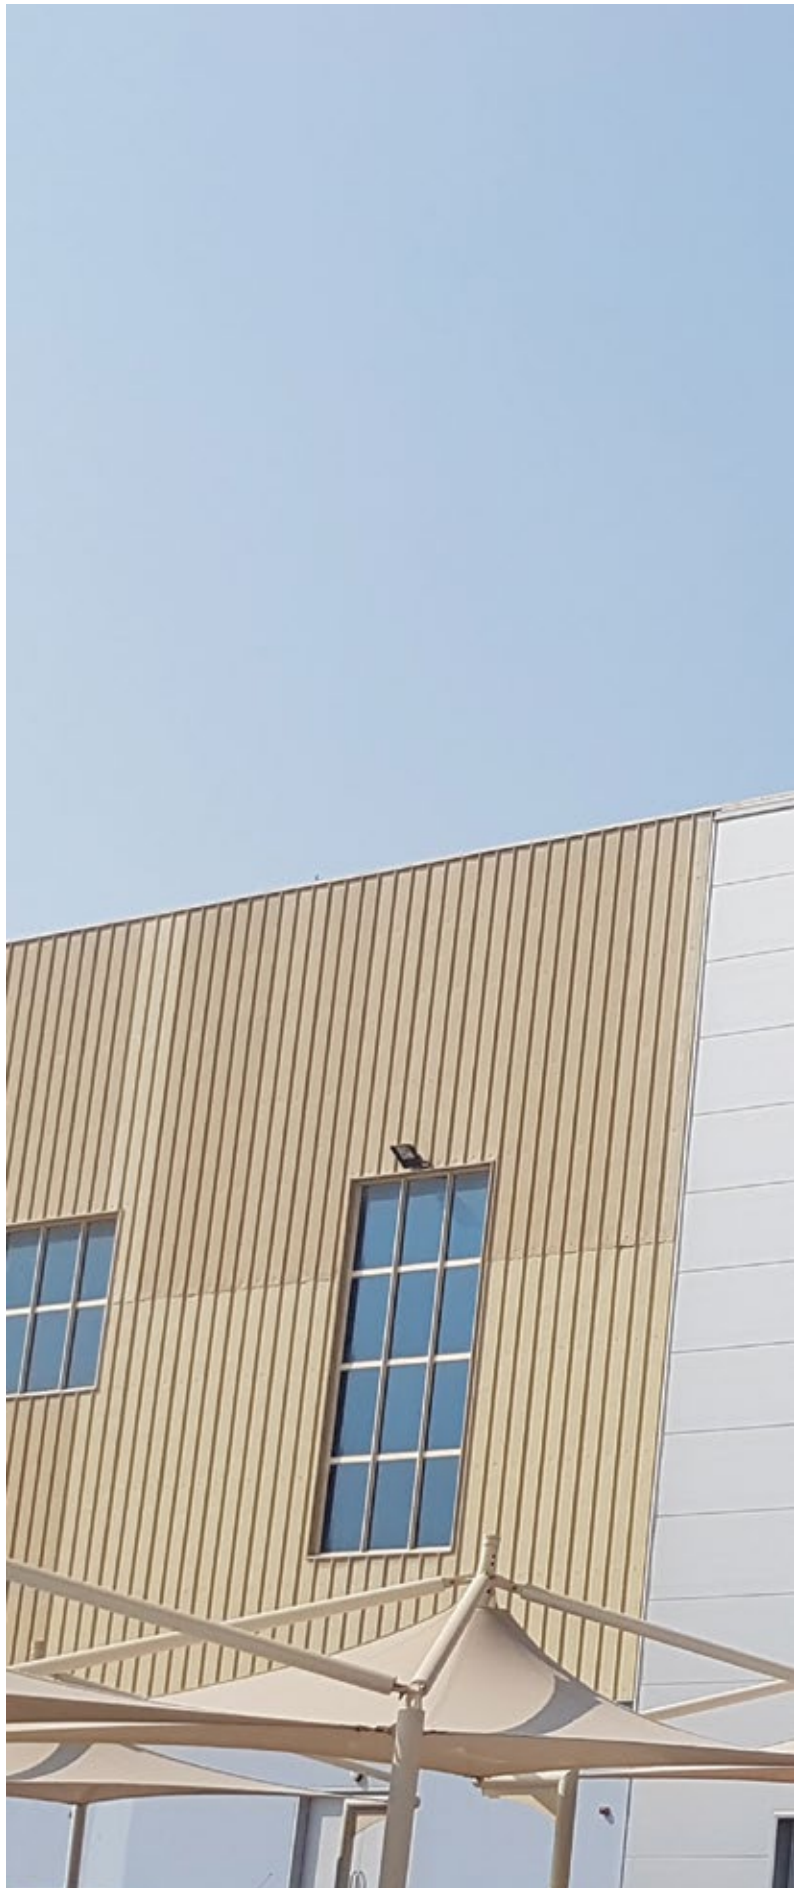

Established in 1969, MTQ Group has become a trusted and leading engineering solution provider for oilfield equipment companies around the world.

In 2009, the company was incorporated in the Kingdom of Bahrain as MTQ Oilfield Services W.L.L (MTQOS) and became a wholly-owned subsidiary of MTQ Group, which is listed on the Singapore Exchange – earning a reputation as a trusted services provider for the oil and gas industry in the GCC.

With more than 30 years of experience in the oilfield engineering services, MTQ offers its clientele a range of services that include fabrication of steel structures and advanced coating solutions.

The Company adheres to the highest performance standards of the American Petroleum Institute (API) and ISO 9001:2015 Quality Management System.

We are committed to conducting business in an environmentally responsible manner, centred on safeguarding people, equipment and the environment by practicing the highest safety standards.

“ WE AIM TO
MAINTAIN
WORLD-CLASS
INDUSTRY
STANDARD. ”

4. FACILITY

MTQOS has a world class state-of-the art advanced facility approved by global OEMs for validation of various components to ensure higher and consistent level of quality. We manufacture equipment as per **API 6A, 16A, 16C, 5CT and 7-1** as well as special fabrication of **BOP test plugs, Wear Bushing, Running Retrieving Tools** tec. for **OEMs**. MTQOS does refurbishing/repair of wellhead equipment (Xmas Trees, Tubing/Casing Spools, Valves and BOPs) for various world known OEMs.

ONE OF THE
LARGEST
OF ITS KIND
IN THE INDUSTRY IN
THE MIDDLE EAST

(8,000 m² built up area)

5. API & OTHER CERTIFICATES

Q1-1345

API Q1-1345: Manufacture of Drill-Through Equipment, Drill Stem Elements and Well-head Equipment for the Oil and Gas Industry.

API 6A-1293: Wellhead and Christmas Tree Equipment.

API 16A-0302: Drill Through Equipment.

API 16C-0409: Choke and Kill Manifold.

API 7-1-0949: Rotary Drill Stem Elements.

API 5CT-1894: Casing and Tubing.

Grand Prideco Premium XT & HT Connection.

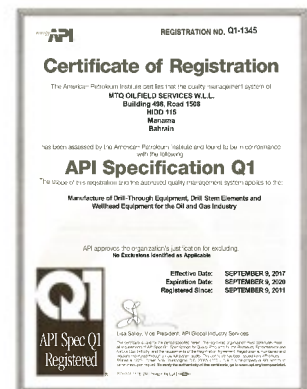

Voestalpine Premium Connection, VAGT, VA Superior, VA Roughneck & VA Xplorer.

ISO 9001:2015.

OHSAS 18001:2007.

6. PRODUCTS & SERVICES

Manufacture and Recertification:

- ✓ Flanges, Weld Neck Flanges, Blind Flanges, Slip On Flanges, etc.
- ✓ Double Studded Adapter (DSA) and Studded Blocks.
- ✓ Mud Cross, Adapter Spool and Drilling Risers.
- ✓ Choke and Kill Manifolds.

Refurbish and repair:

- ✓ X-MAS tree
- ✓ Mud Pump Modules.
- ✓ BOP.

Manufacture and repair:

- ✓ Crossover Subs.
- ✓ Saver Subs and Float Subs.
- ✓ Bit Subs.
- ✓ Lifting Subs and Lifting Plugs.

Manufacture:

- ✓ Couplings (BTC, EUE, etc.).
- ✓ Drifts (Teflon, Steel, Aluminum).
- ✓ Valves.
- ✓ BOP Test Plug.
- ✓ Wear Bushing.
- ✓ Well Intervention and Wireline Tools.

Threading and re-threading connections:

- ✓ Drill Pipe, HWDP, Drill Collar, TBG, CSG.
- ✓ Voestalpine: VAGT, VA Superior, VA Roughneck, VA Explorer.
- ✓ Grant Prideco XT & HT.
- ✓ API 7-1 Connections (REG, IF, XH, etc.).
- ✓ API 5CT Connections (EUE, NUE, STC, BTC, etc.).

Services:

- ✓ Machining.
- ✓ Coating & Painting.
- ✓ Welding & Heat Treatment.
- ✓ NDT (UT, MPI, PT).
- ✓ Hardness Inspection.
- ✓ Pressure Testing (up to 30,000 psi).

Supply:

- ✓ Ring Gaskets.
- ✓ Stud Bolts.
- ✓ Clover Tool Co. Hydrostatic Test Units.
- ✓ Drilling Handling Tools.
- ✓ Rotary Tables & Rig Floor Matting.
- ✓ Shaker Screens.
- ✓ ASME Flanges.
- ✓ Torqueing Equipment.

7. MACHINE SHOP

MTQOS has invested heavily in machine and tooling to support rising demand from Oil and Gas and Petrochemical sector.

MTQOS has:

- CNC Vertical Turning Lathes.
- CNC Horizontal Milling/Boring Machines.
- CNC Vertical Milling Machines.
- CNC Horizontal Turning Lathes.
- Manual Horizontal turning Lathes.

8. WELDING DEPARTMENT

Access to over **100 qualified weld procedures** for all types of materials and pre/post weld **heating furnaces**.

MTQOS has:

- Fronius Fully Automatic Cladding Machine with capability of welding through bore IDs with Inconel 625 overlay.
- Positioners with Semi-Automatic Sub-Arc Welding.
- Assorted collection of manual Sub-Arc & TIG welding machines.

“
THE NEW AGE IN
WELDING SUPREME
”

9. QUALITY CONTROL DEPARTMENT

- Inspection Services as per API standards using latest technology and equipment.
- Our team of QA/QC uses a list of methods for dimensional and physical inspection throughout the process of manufacturing. **This includes:**
 1. Visible and Fluorescent Magnetic Particle Inspection including Coil and Yoke.
 2. Liquid Penetration (LPI) including Fluorescent UT/RT.
 3. Coordinate Measuring Machine (CMM).
 4. Thread inspection by gauges and profile projector.
 5. Hardness Inspection (Brinell and Rockwell).
 6. Positive Material Identification.
 7. Our Quality department has a majority of tools and gauges in house for almost all thread types.
- MTQ can provide QC inspectors/technicians to perform **field inspection** services and surveys for onshore and offshore.

10. HEALTH SAFETY & ENVIRONMENT

MTQ is committed to providing and maintaining a safe and healthy work environment for all our employees and has continually strive to improve our health, safety and environmental performance. We are certified under the Occupational Health and Safety Management System 18001-2007.

11. TESTING & ASSEMBLY

- Pressure testing up to **30,000 PSI Hydro-test** and **15,000 PSI Gas Testing**.
- This enables MTQ to provide complete end-to-end solutions to its customers from product conceptualization through to designing, manufacturing, validation and testing.

12. COATING SERVICES

MTQ can also provide services for **Phosphating** (Zinc and Manganese), **Xylan** (all types) and **Everslik** (all types).

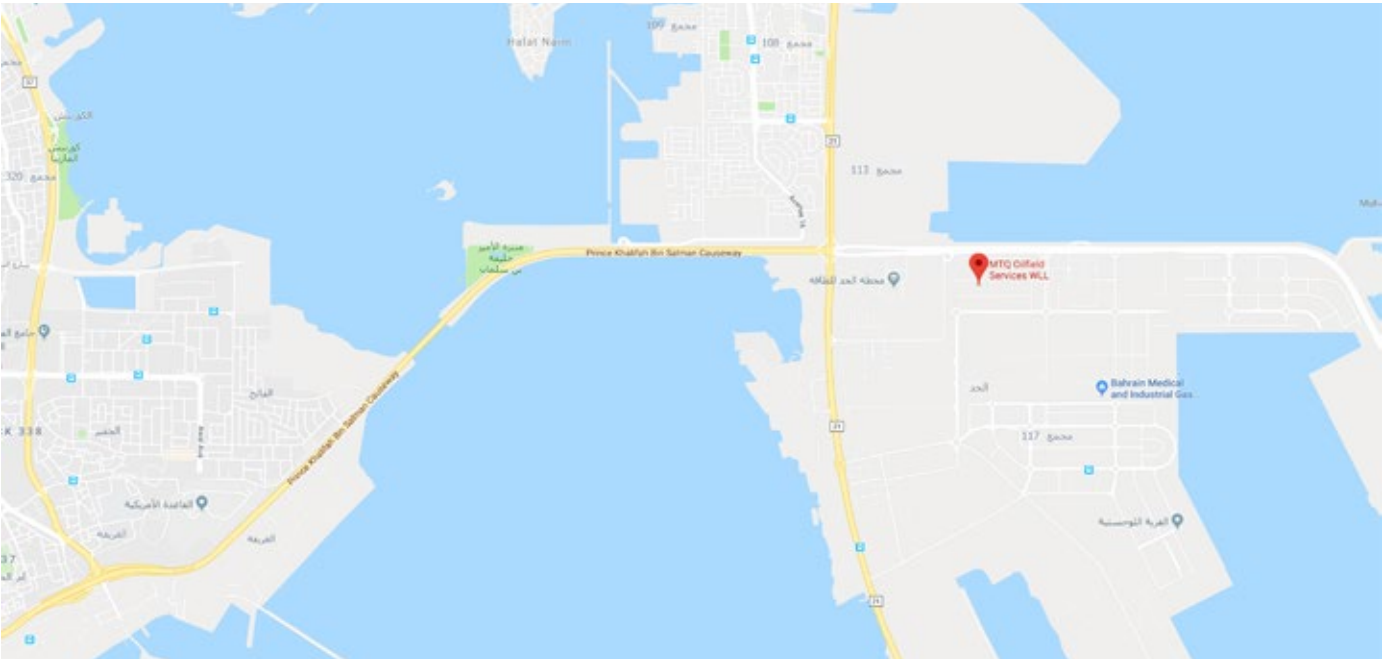

13. OUR CLIENTS

We serve a wide range of customers in the Oil & Gas industry such as **OEMs**, **Drilling Contractors**, and **Service Companies**.
